Evolutionary NLP: Level 1

Accredited by the International Association of NLP Institutes (IANI)

Institute: Instituto Arline Davis

Course Title: Evolutionary NLP, Level 1

Pre-requisites: No prior NLP courses or experience are required for Level 1. See special information about upgrades to non IANI Practitioner courses that allow for post-sealing for full requirements to become NLP Practitioner, IANI.)*

Course Hours: 65 h

Objective:

This program provides participants with a comprehensive understanding of Evolutionary NLP techniques, integrating various advanced methodologies. The course aims to develop competencies in personal and professional growth, leveraging models like NeuroSemantics, Neuro-Social Panorama, Structural Constellations, and Spiral Dynamics.

Participants will receive international certification and join a global community of professionals dedicated to personal growth and change work.

Overview of our Evolutionary NLP Approach:

- Using a Holistic approach for learning
- Learning from multiple levels and perspectives
- Demonstrations fully “decoded” for learners
- Principles above techniques
- More than a tool kit, because we are not broken
- We will reveal what we use to get apparently magical results
- More than a motivation, emotional experience, focused on lasting results
- Deep appreciation and real conversations
- No short-cuts, quality focused classes and practice
- Detailed scripts provided for practice
- Detailed handouts with complete bibliographical references and links for further research.

Topics:

1. Exponential Minds Model® to reveal the construction of experience
2. Presuppositions, World Model Expansion, and Consciousness Expansion
3. Dynamic Mindset – A new frontier in mindset studies
4. EEI: Evolutionary Emotional Intelligence
5. Well-Formed Language and the process of reality creation

Certification:

Participants who complete the course and meet the attendance requirements will receive an international certification from the International Association of NLP Institutes (IANI). Additional benefits include joining the IN community and gaining access to ongoing professional development resources.

*Certification with post-sealing. If you have a previous certification as an NLP Practitioner from a non-IN affiliated institute, you may request special consideration to have Evolutionary NLP considered as course requirements to reach full qualification for NLP Practitioner, IN. This will require an analysis of your curriculum from your original institute, additional written testing and proven proficiency during training sessions.

Trainers:

Arline Davis, President of the International Association of NLP Institutes, in Brazil and the USA, is a Master Trainer in Coaching, Neuro-Linguistic Programming (NLP), Mindfulness, and Positive Psychology. With over 30 years of experience, she serves as the President of the International Association of NLP Institutes (IANI), the International Association of Coaching (ICI), and Mindfulness Evolving In-Me in the USA and Brazil.

Mauricio de Freitas, Vice-President of the International Association of NLP Institutes, in Brazil, is a Master Trainer and Coach with decades of experience and reknown for creating the Exponential Minds® method for training in personal development.
